1. SCOPE

Salto uses certain suppliers for making available Salto's access control cloud applications and all related services to our customers. Some of these suppliers may need to process personal data of our Clients on our behalf for rendering the services they have been engaged for.

In any case, Salto warrants to enter into a data processing agreement with all such suppliers. Among others, Salto requires its sub-processors to implement appropriate technical and organizational measures to ensure a sufficient level of security.

Salto reserves the right to make modifications on the engaged sub-processors in accordance with the data processing agreement subscribed between the Clients and Salto, keeping the below list up-to-date. Any interested client can subscribe by clicking [here](#) for receiving updates about changes on sub-processors.
