

XS4 Original+ for DIN fastening holes doors

The Salto XS4 Original+ is designed to fit DIN18250 and 18251 standard doors prepared for DIN 18250 mortise locks standard. Easy to install and retrofit, it can replace your existing door hardware and fits any door with a broad range of different models and functions. The XS4 Original+ incorporates the latest BLUEnet wireless and mobile credentials technology to accommodate access control needs of both today and tomorrow.
